Re: Helix Electric; Sacramento County Juvenile Hall; Job #20501

Dear Mr. Thompson:

Dick Freeman asked that I send you a courtesy copy of the complaint which we are filing today on behalf of Helix Electric. As you will see, we are seeking declaratory and injunctive relief with respect to the PWCP's request to the County of Sacramento for the addresses of Helix's employees. We will be filing a motion for a temporary restraining order no later than Wednesday.

We would respectfully request that the County hold off on providing addresses at this time in light of the complaint and pending motion. If you have any questions, please let Dick or I know. Thank you for your cooperation in this matter.

Very truly yours,

A handwritten signature in cursive script that reads "Matthew S. McConnell".
